Intensive Swimming

As another year of Intensive Swimming draws to a close we would like to take this opportunity to thank the P&C for providing the students with such a valuable experience free of charge.

A Quick Bite ...

I Can Eat a Rainbow

Did you know that fruit and vegetables of different colours have lots of health benefits? When a child eats a rainbow a wide variety of essential vitamins, minerals, fibre and antioxidants are provided to their diet.

Get your child to help list some fruit and veggies of each colour. Here are some to help you get started.

Red: tomato, rhubarb

Yellow: squash, pineapple

Orange: sweet potato, nectarines

Green: spinach, kiwi fruit

Blue/Purple: blackberries, plums

Brown/White: cauliflower, banana

Why not build a rainbow on your child's plate?

Or colour in a section of a rainbow every time they eat a fruit or vegetable of a different colour?
