Assemblies

Due to current restrictions, we are not allowed to hold our usual assemblies, therefore this Friday we will be streaming our virtual class assemblies on our Facebook page. As we are also not allowed to join as a whole school these will be done class by class. The live stream will begin at approximately 9:30am and will progress through the classes.

These class assemblies give us an opportunity to celebrate some of the excellent learning and behaviour that is happening in our school. I hope you are able to watch, and we look forward to when things can return to 'normal' and parents are again allowed back on grounds to join us in celebrating learning!

World Teachers Day

Australia will celebrate and thank the teaching profession on World Teachers' Day on Friday 29 October 2021.

Teachers (with support from parents and carers) have ensured education continues across the country this year, despite major challenges. It's reinforced the significant role teachers play in the lives of children and students, their families, and communities.

Star of the Week

5/6G - Starlette

Our final 'Star of the Week' in 5/6 for 2021 is the aptly named Starlette. Star has matured considerably over her years in primary school and has demonstrated qualities of a positive role model. Her determination to complete tasks, even in her own time, and willingness to accept and take on feedback will stand her in good stead for high school next year. Star has many sides to her personality. She is known for her humour, her smile, her sometimes cheeky side, her seriousness, her caring nature towards others and how she learns from mistakes. Star enjoys games and sports and is an all-round team player who gives of her best in any game or activity.

Congratulations Star for being our final 'Star' of the week!!

New School Visitor Check-in

A new School Visitor Sign In process implemented in all NSW public schools has replaced the current QR code sign in and the manual sign in process at the front office. **All visitors who enter the school will be required to come through the front office.**

Who will use School Visitor check-in?

- Visitors such as parents and carers, contractors, service providers and volunteers.
- School staff
- Non-teaching-based school staff such as school maintenance crews.

What are the benefits of a new School Visitor Sign in?

- Accelerating your check-ins to as fast as 20 seconds!
- Ensuring every school is compliant with the NSW COVID-19 by linking it to NSW Health for COVID-19 contact tracing purposes.
- Giving every school greater access to streamlined NSW Government services.
